

Does my child need to sign up in order to participate in the run?

No “registration” is required. They are all set to run! You will be sent an email from our online platform, 99Pledges. Use the link to send out to your family and friends to obtain sponsors for your child.

Can I sign up the day of the run to participate with my child?

Yes! Please register in the Elementary school office. There will be a \$30 registration fee for parents. Your registration provides you with a Color Run t-shirt.

How does my child pick up their race day items?

Your child’s teacher will hand out race day items (t-shirt, headbands and sunglasses) the morning of the run.

Will the color ruin my clothes or running shoes?

The majority of the color washes out after the event. It’s best to wear items that you wouldn’t mind getting ruined. We suggest washing items worn for the Color Run separately from your other laundry.

Do you have a cleaning station after the race?

Yes, we have air blowers to dust off kids at the finish line. Kids won’t be 100% clean, but you’ll be good for the drive home.

Will running through the color zones affect my vision or breathing?

The color powder is all certified non-toxic. The bright colors are a combination of cornstarch, baking soda, and FD&C (food-safe) dyes. Some runners opt to wear glasses or goggles for their eyes. You may also want to consider wearing a bandana or dust mask over your nose and mouth.

Are there prizes?

Yes! Incentives are given for various levels. Please see the incentive prize list for more details.

Is my registration fee tax deductible?

Yes.

How do I create my personal fundraising page?

You will be sent a link to your child’s personal fundraising page from our online platform, 99Pledges. Once you receive the link, you can send it out to family and friends asking for donations and sponsorships.

How can my business be a sponsor of this event?

For sponsorship information, please email isomero@crossroadsschool.org

Do you have any fundraising tips?

Let everyone know that your child is running in this event! Send them the URL link to your child’s fundraising page and ask them to consider making a donation toward your fundraising goal.

These donations can be made online and will directly show in your total amount raised. All donations are tax deductible.

Use your Twitter, Facebook and personal blog to share what your child is doing and provide the link so that anyone who sees it can visit the fundraising page and make a donation.
